LEARNATHON RULES AND REGULATIONS

1. This Learnathon Event is applicable to all S3 and S5 Students.
2. Duration of the Learnathon is 8 Hours.
3. There will be two levels for this competition, and RP will be awarded only if the group participates in both the levels.
4. The main objective of this competition is to check the conceptual understanding of fundamental courses.
5. Each team can have 3 Members maximum. Students may also participate as Individual or group of 2 members. For group teams, the RP will be shared.
6. Each group will be given a Topic from Fundamental Courses.
7. The group has to Explore the fundamental concepts related to the given topic and need to prepare Higher order thinking Questions as per the format.
8. A group can prepare any number of Questions from the same topic.
9. If many groups select the same topic, the RP will be shared among groups.
10. A group can register for a maximum of two topics.
11. These Questions will be shared among the peer groups for evaluation in terms of Quality, Clarity, and Knowledge.
12. If the Test item passes the random peer group evaluation, it will be considered for assessment in the next level.
13. The test item will be rejected if nobody could answer it or everybody could answer it.
14. A registration form will be circulated to all the students along with fundamental courses. Topics related to selected courses will be given at the event venue.
